

Payroll Made Easy... It's About Time

Payroll can be time-consuming and complicated—whether you are processing in-house or outsourcing to a firm that may not understand your needs. Both keep you from focusing on what's most important—building a successful business.

That's where a trusted payroll partner like Heartland can help with the right people, tools and reporting in place to empower you.

Heartland is a respected payroll provider, serving more than 34,000 loyal customers nationwide. We place great value in our partnerships and are dedicated to helping you succeed.

Benefits Include:

- Competitive pricing, plus a three-year price lock
- Secure, 24/7 online access to payroll data and employee information
- Federal, state and local tax filing and payments, included with our standard payroll
- Integration of workers' compensation insurance data and premium collections through a variety of carriers
- S125 FSA and Premium Only Plan administration
- Time and attendance integration and solutions
- Most importantly, our dedicated customer service team

In addition, Heartland offers Payroll+HR—a full-service approach encompassing custom tools and resources. Cut through the confusion of compliance issues, the latest employment laws and regulations, and more with Heartland as your trusted partner.
